Dear Indiana Self-Insurer/Worker's Compensation Professional:

It is time to join or renew your membership in the Indiana Self-Insurers Association. ISIA was formed in 1976 and is an association of Indiana employers who self-insure their Indiana worker's compensation liability. ISIA is a member of the National Council of Self-Insurers, provides its members an informative e-mail newsletter, and coordinates its activities with the Indiana Worker's Compensation Board, the Indiana Manufacturers Association and the Indiana Chamber of Commerce. Please take a look at www.indianaselfinsurers.org for information as to ISIA's goals and purposes

A lot has changed since 1976, but when issues important to the self-insurance community arise, ISIA has been available to respond. We have been lucky to have relatively few self-insurance problems recently, but that may not be so in the future. If you don't support ISIA today, ISIA may not be there for you tomorrow.

Please join ISIA now. If you are not the proper recipient of this letter and Application, please see that they get to the correct person. Your company's membership will keep ISIA viable and ready to respond to future self-insurance challenges.

Sincerely,
INDIANA SELF-INSURERS ASSOCIATION, INC.
